James Webb Space Telescope

Keck Observatory

Gravitational waves

Undergraduates in any year who have completed introductory physics courses are invited to apply to the REU program at UC Riverside (UCR). Participants are paid an internship stipend and lodging allowance.

Research Areas:

- High-redshift galaxies
- Intergalactic medium
- Gravitational waves
- Evolution of Galaxies
- Machine learning
- Dark matter

How to Apply:

Please submit a copy of your CV, a cover letter expressing your interest, an unofficial transcript, and contact information for one letter of reference writer.
